

Clare OSHC Bush Fire Procedure

Updated October 2019

Our procedure is reviewed after Clare Primary School Bushfire Action Plan has been reviewed

Vacation Care Planning

When planning the December / January Vacation care program, Risk Assessments must be completed on all excursions outside of the town boundaries.

Risk assessments must include:

- List of relevant bush fire safe settlements and bush fire safe precincts.
- Contact details of pre arranged Department of Education (DE) or other emergency safe refuge facilities.

FIRE REPORTED IN LOCAL DISTRICT

Responsible Person / Director will put into place the pre-determined bushfire emergency procedures.

Responsible Person / Director will maintain a visual check of the surrounding area.

The Responsible Person / Director will carefully monitor ABC Radio and the CFS website for CFS Information and Warning Messages and provide staff with updates concerning the latest location of the bushfire front and any impact it may have on the site.

Responsible Person / Director will advise the Principal that a bushfire has been reported in the nominated local district and agree on coordination of procedures.

The Director will liaise with DE Emergency Management Team to obtain the latest information and advice about likely effect of the bushfire on the site.

The Director will cancel on site outdoor activities or excursions for children.

The Responsible Person/ Director will identify and list all children and staff who live in the area reported to be affected by the bush fire.

The Responsible Person / Director will back up all site computer records.

The Responsible Person / Director will open and prepare the Safe Refuge, (located in the Admin building at Clare Primary School) eg close blinds and windows, wet towels, prepare drinking water, ready fire extinguishers, remove hazards from passageways etc

The Educators will ensure the alternative audible warning device is ready for use and operating correctly should power fail.

Once we are in Safe Refuge we will not be letting children out until advised by the DE Emergency Management Team or the local Emergency Services that it is safe to do so.

A member of staff will monitor the outside of the Safe Refuge once the fire front has passed, if safe to do so to ensure that the building is not on fire.
